§ 122.4 Notification of changes in information furnished by registrants.

(a) A registrant must, within five days of the event, notify the Office of Defense Trade Controls by registered mail if:

(1) Any of the persons referred to in §122.2(b) are indicted for or convicted of violating any of the U.S. criminal statutes enumerated in §120.27 of this subchapter, or become ineligible to contract with, or to receive a license or other approval to export or temporarily import defense articles or defense services from any agency of the U.S. government; or

(2) There is a material change in the information contained in the Registration Statement, including a change in the senior officers; the establishment, acquisition or divestment of a subsidiary or foreign affiliate; a merger; a change of location; or the dealing in an additional category of defense articles or defense services.

(b) A registrant must notify the Office of Defense Trade Controls by registered mail at least 60 days in advance of any intended sale or transfer to a foreign person of ownership or control of the registrant or any entity thereof. Such notice does not relieve the registrant from obtaining the approval required under this subchapter for the export of defense articles or defense services to a foreign person, including the approval required prior to disclosing technical data. Such notice provides the Office of Defense Trade Controls with the information necessary to determine whether the authority of section 38(g)(6) of the Arms Export Control Act regarding licenses or other approvals for certain sales or transfers of articles or data should be invoked (see §§120.10 and 126.1(e) of this subchapter).

(c) The new entity formed when a registrant merges with another company or acquires, or is acquired by, another company or a subsidiary or division of another company shall advise the Office of Defense Trade Controls of the following:

(1) The new firm name and all previous firm names being disclosed;

(2) The registration number that will survive and those that are to be discontinued (if any);
